RULES AND REGULATIONS FOR THE SAN GABRIEL VALLEY 4-H FAIR

The San Gabriel Valley 4-H Fair is under the management of the San Gabriel Valley 4-H Fair Board and the Los Angeles County UCCE. The Fair Board Directors are selected by members and leaders in the North and South San Gabriel 4-H Districts. The fair will be planned and directed by youth and adult partnerships in a safe environment. The following is a brief summary of the rules and regulations for the SGV 4-H Fair. For more information, consult the SGV 4-H Fair Policies and Procedures Manual.

1. GENERAL

- A. The decision of the Fair Directors shall be considered final.
- B. Refer to the Fair Program for a detailed schedule of Fair events.
- C. Help is expected from all participating Clubs at set-up, take down and/or during the Fair. If a club member/adult enters from the North San Gabriel or South San Gabriel districts, one adult and one youth are required from the club to help out at the SGV 4-H Fair. If a club member/adult enters from the San Fernando Valley or Antelope Valley districts or any club in San Bernardino or Riverside Counties, one adult is required and one youth is recommended from the club to help out at the SGV 4-H Fair.
- D. Grounds should be cleared at completion of each day's activities.
- E. **NO EXHIBITS WILL BE RELEASED UNTIL AFTER THE AWARDS PROGRAM: NO EXCEPTIONS!!!** Each entry will need to be signed out. Security will check each claim ticket(s) at the exits. Large and Small Livestock will be released only when all pens/cages are removed and the areas are completely cleaned. It is standard fair policy for the youth to clean their animal(s) area before leaving.
- F. **CLUB TROPHIES:** Only North and South San Gabriel district clubs are eligible to earn these trophies. The method used to tally points – Club's Junior to Senior project enrollment plus factor of 2 equals adjusted number of members enrolled in project. Total points earned divided by adjusted enrollment equals average points won per division. In the event of a tie, 2 additional points will be awarded for each Best of Show and 1 additional point for each Judge's Choice. See Appendix A of this Handbook for a complete list of club project-area trophies that are available and the fair entries that are needed to earn the trophies. See Fair Administrative Director for complete rules on the computation for club trophies.

- G. **SWEEPSTAKES TROPHY:** Trophy was donated by the Leslie Carmen Family in honor of the late Mr. Leslie Carmen. He was a pioneer of the Los Angeles County 4-H Program and founder of the California 4-H Supply Company. Only North and South San Gabriel district clubs are eligible to earn this trophy. The Sweepstakes Trophy is a perpetual trophy with the winning club engraved on a plate on the trophy. The trophy is kept by the winning club until a month before the next fair and then returned to the then-current Awards Chair. Procedure: Total number of points in all Junior to Senior projects divided by total Juniors to Seniors club members plus 2.
- H. **PRIMARY PARTICIPATION TROPHY:** In memory of Linda and Melodie Code, who worked so hard for participation of all 4-H members in the Fair. Only North and South San Gabriel district clubs are eligible to earn this trophy. Procedure: Total number of exhibits by Club's Primary Members (K-3rd grade) divided by Club Primary enrollment plus 2.
- I. Trophy points are credited to the Club in which the member is enrolled. Credits for awards from district projects, go to the Club in which the member is enrolled.
- J. Ribbons will be given out in the ring for all Large and Small Livestock, Showmanship, Round Robin (except adult), Dog Care, Guide Dog, Horse, Rabbits and Cavies. This is subject to change without prior notice. All other awards will be placed on the entry and exhibited or will be given out at the Awards Ceremony by Youth Directors.
- K. **SELF-DETERMINED PROJECTS:** Any member entering this project must have a copy of their County Approved program with the entry.
- L. **ALL JUNIOR, INTERMEDIATE, AND SENIOR MEMBERS MUST BE ENROLLED IN THE PROJECTS THEY ENTER. PRIMARY MEMBERS ENTER ONLY IN PRIMARY PROJECTS ACCORDING TO SUBJECT MATTER.**
